

GORMAN WINERY

The Evil Twin 2004

Release Date: October 2006 (?)

Color: Opaque black/red

Aroma: Liquid blueberry pie and raspberry soda

Flavor: Full-bodied and powerful. The 2004 Evil Twin has a mouth-filling texture and its 15.5% alcohol adds to the sweet glycerol feel. Lots of blueberry and bramble fruit with sweet caramel and smokey notes from the new French oak. Always a labor of love due too its "late-harvest" nature, but I still keep making it every year!
